

Report on Lamp Lighting Ceremony

Title: Lamp Lighting Ceremony

Date: 14 February 2025

Organized by : Kalyan College of Nursing, Rajura

Venue: Multipurpose hall

Introduction

The Lamp Lighting Ceremony is a significant and sacred tradition in the nursing profession symbolizing the beginning of students' journey toward compassionate patient care. Inspired by the ideals of Florence Nightingale, the "Lady with the Lamp," the ceremony represents dedication, service, knowledge, and humanity.

The Lamp Lighting Ceremony for the nursing students was organized by [College Name] to formally welcome students into the noble profession of nursing and to instill professional ethics and responsibility.

Objectives of the Ceremony

To initiate nursing students into the profession.

To honor the values and legacy of Florence Nightingale.

To promote compassion, dedication, and ethical nursing practice.

To encourage students to serve humanity with commitment and care.

Program Highlights

The ceremony began with a warm welcome of chief guest, dignitaries, faculty members, and students.

The program commenced with the traditional lighting of the lamp by the Chief Guest, respected dignitaries, and faculty members, symbolizing the removal of ignorance and the spreading of knowledge.

Following this, nursing students received the light from the ceremonial lamp, representing the transfer of knowledge, responsibility, and professional values.

A meaningful speech was delivered by the Chief Guest emphasizing the importance of empathy, discipline, and lifelong learning in nursing practice.

Students then took the Nightingale Pledge, promising to uphold professional ethics, maintain patient confidentiality, and provide compassionate care.

The ceremony also included:

Cultural performances by students

Inspirational speeches by faculty members

A song dedicated to the nursing profession

Significance of Lamp Lighting. The lamp signifies hope, care, and selfless service. The ceremony marks the transformation of students into future nurses who will serve society with knowledge, kindness, and dedication.
