

World Environment Day

Date: 5th June 2026

Venue: , Kalyan College of Nursing, Rajura

Organized by: student of Kalyan College of Nursing, Rajura

Theme: “Beat Plastic Pollution”

Introduction

World Environment Day is celebrated every year on 5th June to raise global awareness about environmental protection. It was established by the United Nations in 1972 during the Stockholm Conference on the Human Environment. This day encourages individuals, communities, and governments to take action to protect and conserve our environment.

Objectives

To create awareness about environmental issues.

To encourage conservation of natural resources.

To reduce pollution and promote sustainable practices.

To promote tree plantation and cleanliness drives.

Activities Conducted

Tree plantation program in school/community area.

Cleanliness drive in nearby surroundings.

Poster and slogan competition.

Awareness rally with placards.

Seminar on environmental protection and climate change.

Distribution of cloth bags to reduce plastic use.

Role of Students/Nursing Students

Participated in tree plantation.

Conducted health education on environmental sanitation.

The program was successfully conducted with active participation of students, staff, and community members. Awareness regarding environmental conservation increased, and many saplings were planted.
