

Report on Diabetes Day

Date: 14 November 2025

Venue: Multipurpose hall

Organized by: Kalyan College of Nursing Rajura

Theme :” Diabetes and the workplace,”

Introduction

Diabetes Day was celebrated in our institution on 14th November to raise awareness about diabetes, its prevention, and management. The program aimed to educate students and staff about the importance of a healthy lifestyle and regular health check-ups to prevent this growing health concern.

Objectives of the Celebration

To spread awareness about diabetes and its causes.

To educate people on preventive measures and healthy living.

To encourage regular screening and early detection.

To promote physical activity and balanced nutrition.
